

O Come, All Ye Faithful!

We're getting ready for another joyful celebration with our neighbours at Forest Heights!

Just some final notes:

- Do we have your child's signed permission form?
- Has your child been learning the lyrics to Hark the Herald Angels Sing and O Come All Ye Faithful? Singing through them together at home will give the children the confidence to lead.
- Talk together at home about how Jesus exhorted us to visit the sick, and to love and care for others without condition. Encourage your child to pray for the residents and workers, and celebrate his/her willingness to put the needs of others first. You may want to make a Peace-themed craft for a resident, and attach an encouraging note from your child to the back of it.
- On the day of, your child should wear festive but comfortable clothing...**Remember, the focus is not on performing, but rather on worshipping together and leading the service.** We will wear our coats and boots over to FHLTCC; if your child decides to bring shoes, he/she must be responsible for bringing them to and from the centre.
- **If you suspect your child is fighting a virus, do not send him/her to FHLTCC.** If necessary, we will have a leader stay back with children who may have colds, etc. It is crucial that we do not knowingly bring illness into the centre.
- **Drop your child off in Finders Keepers Central at 9:30am on Sunday, December 4.** Pick him/her up at 11:45, after the Westheights service. (Jr Highs will be dismissed when they return.)
- If you are coming, and have skills in photography and video recording, please take some video and photos for our archive...If you're able to help in this way, please contact Charlene Neuman at charleneneuman@westheights.org.
