

Loving Our Neighbours: *“Go and do likewise.”* (Luke 10:37)

It has been such a privilege for our children, students and leaders to be the hands and feet of Jesus to our next-door neighbours at Forest Heights Long Term Care Centre.

We're excited to have been invited back to lead a 5th Sunday service!

We count this a unique and rare opportunity—a demonstration that neither age nor ‘disability’ bars us as Christ-followers from being co-worshippers, as well as worship leaders, teachers, pastors, and encouragers, as we use our gifts to inspire each other and give glory to God.

The children plan to serve this community of seniors (and others who are in need of long term care) as they:

- bless and encourage the residents
- read scripture
- inspire worship moments
- lead in worship
- tell Bible stories or share stories of faith
- teach and/or share mini-sermons

Those who are comfortable may also have a chance to talk with or pray with residents—and we fully expect that many residents, as fellow-believers, will pray for, encourage and bless us in return!

Please detach the second page of this letter to let us know that your child/student (SK through Grade 12) is able to attend the service at Forest Heights on Sunday, December 4, from 10:20 to 11:15. On the day of, we will meet at 9:30 in FK Central to rehearse the order of the service before we walk to the centre.

Parents of children in SK-Grade 5 may pick up their children at the usual dismissal time of 11:45.

Involvement in certain parts of the service may involve rehearsal at home, and/or extra rehearsals, which will take place on Sundays at noon in late October and November. Stay tuned for a schedule of who's rehearsing, and when...!

Many thanks for your support. Praise Emmanuel...God with us!
