The difference between “doing it all”
and doing what matters

*God has designed a mission and a plan for every woman's life.
And He wants her to discover it.*

Why come?

As women, we're incredibly busy, and we rarely find time to experience close fellowship with each other. A weekend away gives us the chance to build relationships with other women in our church, grow spiritually, rejuvenate, and have fun.

This year's focus is on learning some practical strategies to help you find your way to a healthier place in your life!

We're returning to the beautiful Woodhouse Retreat Centre at Hidden Acres for a retreat to relax, connect, and be encouraged.

What to expect:

LODGING: Woodhouse is a beautiful retreat centre with excellent facilities. For more information about Woodhouse go to www.hiddenacres.ca.

FOOD: Meals and snacks included. We will try to accommodate special dietary needs.

FOCUS: The difference between "doing it all" and doing what matters. God has designed a mission and a plan for every woman's life, and He wants her to discover it.

The LifeReady Woman, by Shaunti Feldhahn, helps every woman discover God's biblical roadmap for finding balance, peace, and delight in this crazy, contemporary life. Shaunti encourages bold steps of faith, empowering women to thrive by identifying and courageously pursuing God's unique design and mission for every woman.
