

SECRET SISTERS

of westheights community church

how it works:

- Complete the questionnaire on the reverse side of this sheet and sign the acknowledgment below. Place your completed form in Lauren Doherty's mail file by **SUNDAY, MAY 12, 2019**.
- You will be provided with the name (and questionnaire) of a woman to support in the coming year. Check your mail file for this a week or two after the above deadline. (If you do not have a mail file, please let us know and we'll arrange to have one set up for you).
- Throughout the year you will pray for and encourage the woman you have been assigned – you will be her "Secret Sister", and in turn, you will have a "Secret Sister" praying for and encouraging you.
- Throughout the year, we will ask for updated prayer requests based on changes in your life and will communicate them to your Secret Sister (and vice versa).
- At the end of the year, we will have an event where the identities of our Secret Sisters will be revealed!

the "rules":

- Must be 18 years of age to participate
- How often you contact the woman you are assigned is up to you; however, you should strive to contact her at least once a month. This way she knows that you are still thinking about her. (If there are 3 consecutive months without communication to your Secret Sister, you will be removed from the program.)
- Pray for her! We all need prayer.
- You don't have to purchase gifts for the woman you are assigned – it is the thoughts and the prayers that count. Shower her with cards, notes and handmade items. Feel free to share a favourite poem or Bible verse. If you do choose to give a gift, keep it small and simple – we would recommend under five dollars. Some ideas include candy, baked goods, or teas.
- Remember her special days and let her know you are celebrating with her.

If you have any questions about the Secret Sister program, please feel free to contact Lauren Doherty (laurendoherty2003@yahoo.ca or 519-570-0647).

By signing below, you acknowledge and agree that you understand your obligations as a Secret Sister, and are committed to encouraging and praying for the woman you are assigned for the following year.
